

Rollable floor exercise mats

FLEXIROLL®

Rollable Floor Exercise Mat FLEXIROLL®

ORIGINAL REUTHER.

The new floor exercise mat of SPIETH with top-quality velour is innovative, easy-to-handle, space and time saving. Due to a new production technology no roll-up core is needed anymore. The mat can be rolled up and off by only one person without any difficulties. The complicated turning round of the mat is no longer necessary! Additional protection of carpet through the new roll-up method.

Areas of application: Gymnastics, Cheerleading, Tumbling, Acrobatics as well as in schools, clubs, kindergarten and competition sports.

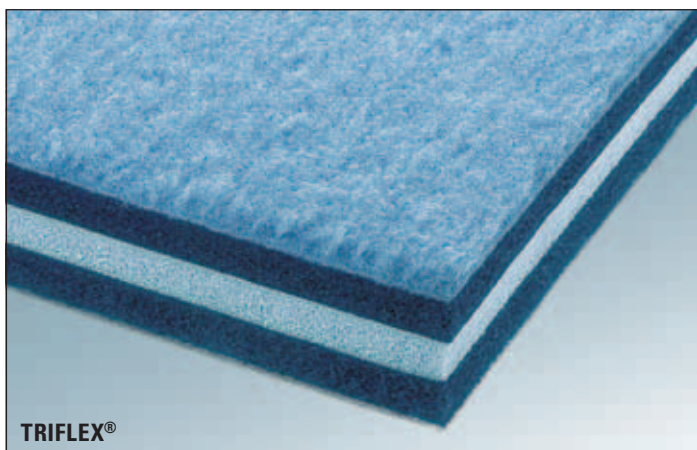

All designs in 40 mm!

Colour: spiethblue.
